ELDER EXPLOITATION

July 16, 2-3 p.m.

Presented in partnership with the Las Vegas Metropolitan Police Department and sponsored by NV Energy, the event will focus on elder exploitation. The number of elder abuse reports continues to increase every year. Research has shown that for every case reported, five go unreported. Abuse of the elderly comes in many forms. Not only food deprivation, neglect, isolation or physical harm, elder exploitation can also include actions where someone takes financial advantage of the vulnerable elderly. Investigate what actually constitutes abuse and how to report it.

HOW POLICE INVESTIGATE HOMICIDES

August 20, 2-3 p.m.

The Las Vegas Metropolitan Police Department Homicide Section is committed to the unrelenting pursuit of those involved in all homicides, officer involved shootings, fire deaths and suspicious deaths. It is their hope, through professionalism, that the Citizens of Clark County feel comfortable to contact them with any information related to any homicide that has occurred countywide. LVMPD Homicide works in conjunction with the Forensic Division, which evaluates and examines 10-15 cases per day.
